

SHIFT THE WAY THE WORLD WORKS.

JOIN THE PROAKTIV TRAINER ACADEMY

Great companies that want to be agile and meet the future know that **transformation** starts with their people. Great trainers stand at the centre of this transformation, by leading ambitious learners on a meaningful learning journey. Join **PROAKTIV Trainer Academy** to become the kind of **trainer** who can help participants

examine their status quo, set goals, and identify barriers before making and executing a plan to improve. Great trainers have the knowledge, technical skills, understanding, passion and attitudes to change the way **people work**, and the way the **world works**. Find out more by scanning the QR codes:
